SEE FUTURE FOUNDATION

For a future  
worth SEEing

# Join us in making a difference!

UNIQA SEE FUTURE is a non-profit foundation of UNIQA insurance established with the aim of providing support to young people and organizations that excel in sports, culture, and sustainability with their skills and talents.

**UNIQA SEE FUTURE Foundation** promotes philanthropy, healthy lifestyles, supports initiatives for environmental protection and sustainability, corporate social responsibility, art, modern professions, and trends in the digital world, and many other areas that can positively impact local communities.

The Foundation operates in Southeast Europe: in **Serbia, Croatia, Bosnia and Herzegovina, Bulgaria, Romania, and Montenegro.**

# The vision of the Foundation:

## Investing in youth is investing in the future

**The idea of the Foundation came from the mission of UNIQA insurance**, which is focused on improving the lives of clients and their families through innovative offers and services, as well as supporting responsible community development. In an increasingly complex world full of challenges, trust and safety are becoming more important for society and the economy, but also for everyone.

**UNIQA SEE FUTURE Foundation focuses** on providing support to young talents as they are the bearers of change and have the potential to transform local communities.

The Foundation operates in accordance with UNIQA values: **client first, personal responsibility, community, simplicity and integrity, focusing on supporting the community.**

For the long-term changes we aspire to, it is necessary to build an ecosystem in which the Foundation, together with its partners, clients, and employees, will bring strong positive changes in the communities in which it operates across six countries in the **UNIQA SEE region.**

# Mission of the Foundation

The mission of the UNIQA SEE FUTURE Foundation is to provide opportunities for talents to reach their full potential through mentoring, financial support, and scholarship programs, so they can positively impact on the community with their ideas and initiatives.

Join us in making a difference!

## Why support the UNIQA SEE FUTURE Foundation?

Because only together can we make the world a better place.

We dream big. We want to have a long-term positive impact on communities in **six countries in UNIQA SEE region**. We want to support talented and dedicated individuals and organizations who will repay our trust by leaving a mark in their communities.

We invite you to join us because through joint action, we can achieve much more!

If you share **the Foundation's values** and want to contribute to the well-being of your community, join us. Together we can make the world a better place.

# Why is it important to support talent?

**Why support someone who already has a significant advantage that sets them apart from others – talent?**

Because not all talents have equal opportunities to realize their full potential. It is important to recognize talent that, without appropriate support and guidance, may remain unused. It is known that success consists of **10 percent talent** and even **90 percent work**, discipline, and persistence.

Talents that get the chance to succeed in what they were created for can have a positive impact in the community they live in, because they become role models, showing others that with effort and dedication, success can be achieved. They testify by their example that talent is just an initial advantage that can lead the way with the right guidance and support.

**The Foundation's vision** is to support talent in achieving their dreams, which will ultimately provoke other positive changes. For example, the success of a talented athlete can inspire and motivate young people in their community to work hard in sports or develop their own values and goals worth striving for.

**This is particularly important in today's world**, where, alongside the immense influence of social media, the impact of authentic life role models stories and examples, that dreams can come true.

# We support Culture

**Culture – all the arts, including the seventh, connect and bring people together.**

UNIQA has traditionally supported cultural projects, such as the **Sarajevo Film Festival**, and with the establishment of the Foundation, an additional step has been

taken to support cultural projects that open new perspectives, promote diversity and creativity, and provide space for talent development.

## Female Filmmakers

**UNIQA Insurance** has launched a special support program for women film artists within its UNIQA SEE FUTURE Foundation in cooperation with **the Sarajevo Film Festival and Slano Film Days**. The program called **“Female Filmmakers Support Program”** aims to support and empower women in film from six countries where UNIQA insurance operates in Southeast Europe: Serbia, Croatia, Bosnia and Herzegovina, Bulgaria, Romania and Montenegro.

The objectives of the **Female Filmmakers Support Program** are to develop and support women in the film industry from Southeast Europe in the production of independent film, to increase the representation and diversity of women in the regional film industry, to facilitate networking, skills development and funding opportunities for women in film.

**UNIQA SEE FUTURE Foundation – Female Filmmakers Support Program (FFSP)** is designed to support and promote women filmmakers in Southeast Europe by providing financial assistance to produce their film projects, as well as to support the development of their careers through **CineLink Industry Training and Skills Programme**.

# Mentorship Program for Visual Artists

**Mentorship Program for Visual Artists** is a new initiative aimed at supporting emerging visual artists from Southeast Europe by providing a unique platform for artistic development and international visibility.

**Program is initiated by Nomad** – The Croatian Office for Contemporary Art (Zagreb) and Nomarts - Kunstverein zur Schaffung von Kunstsammlungen (Vienna).

**Nomarts focuses** on the strategic development of art collections and advising philanthropic foundations, while Nomad brings together artists, public institutions, and private and corporate collections to collectively promote contemporary artists from Croatia and the region in an international context. Nomad produces exhibitions, installations, and site-specific artworks in public spaces, as well as artists' books. Some of its key artistic collaborations include artists **Lovro Artuković, Jasmina Cibic, Šejla Kamerić, and Zlatan Vebabović**, along with partnerships with local and international institutions such as the National Museum of Modern Art Zagreb, Museum of Contemporary Art Zagreb, Museum of Modern Art Dubrovnik, Museum

der Moderne Salzburg, and Museums Quartier in Vienna.

This mentorship program is designed for emerging visual artists who have demonstrated exceptional talent and notable achievements in the visual arts. The selected artist will engage in a comprehensive mentorship that includes close collaboration with Šejla Kamerić and the curatorial team to conceptualize and develop a cohesive body of work. Project mentor Šejla Kamerić is an acclaimed Bosnian visual artist whose work spans film, photography, and installation.

**Šejla's art has been showcased in numerous international exhibitions,** including those at the Museum der Moderne Salzburg, Museum of Contemporary Art Zagreb, Museum of Contemporary Art Belgrade, Museum of Modern Art Ljubljana, MUMOK in Vienna and Centre Pompidou in Paris.

# Mentorship Program for Visual Artist in partnership with MuseumsQuartier

The selected finalist will hold a **solo exhibition** at the art space MQ Freiraum within Vienna's MuseumsQuartier in **February 2026**, receiving **financial support for the production and presentation of a new work**.

MuseumsQuartier, located in the heart of Vienna, is a vibrant hub for contemporary art. MQ Freiraum, situated in the baroque Fischer-von-Erlach wing of the MQ complex, is dedicated to showcasing contemporary art exhibitions with a focus on video works, installations, and art that critically reflects on socio-political themes.

This space provides an ideal platform for artists to present their work to an international audience, encouraging critical discourse and cultural exchange.

# We support Sport

**Investing in youth is investing in the future:  
Support for talents and sports clubs**

**Goran Ivanišević**, the brand ambassador for UNIQA insurance and the Foundation's sports mentor, fully supports the UNIQA SEE Foundation's commitment to sports. Goran Ivanišević, the legendary tennis coach and Wimbledon champion, had the honor of introducing Luna Vujović, the Foundation's first young athlete. **Goran knows very well** how working with young people can be crucial in shaping their future. He shares the same values with UNIQA, and this was a great way for him to work with young people. Goran will use his valuable experience to help the **Foundation recognize, empower, and support young talents.**

## Luna Vujović – the first young sports talent of the Foundation

**Luna Vujović** is the winner of the **European Junior Championship** and the winner of Wimbledon for juniors under 14 years old. She is one of the greatest young tennis players in Southeast Europe who in 2022 won four out of five Tennis Europe finals she participated in.

**Under the auspices of the Foundation,**  
**Luna** will have both financial support  
and mentoring assistance that will help  
her achieve even greater results.

# Support for Sports Clubs

With support for young talents in sports, the Foundation is dedicated to building the sports infrastructure that is necessary for quality engagement in sports.

By giving a donation to the **GEM Tennis Club in Sarajevo** last year, the Club started with the activities to improve the infrastructure and support for new tennis talents, hopefully future tennis stars. The donation was presented during an exhibition match where **Goran Ivanišević**, the brand ambassador of **UNIQA insurance** and a sports mentor of the **UNIQA SEE FUTURE Foundation**, emphasized the overall importance of supporting young talents in sports and culture.

The Foundation also donated to the **Jekova Tennis School in Sofia** to support young tennis talents with promising sports careers. The mission of the school is to encourage as many children as possible to play tennis, feel happy on the court, stay healthy, and practice sport. When the school opened, they started with two coaches and 15 children.

Now there are five coaches and more than a hundred children, which is a clear indicator of **how important it is to support sport clubs.**
